

**Information Technology Enterprise Solutions- Services 3
(ITES-3S)**

Website info for BITS

February 8, 2019

Background

Scope:

Bravura Information Technology Systems, Inc. Contract # W52P1J-18-D-A092

The ITES-3S scope includes a full range of services and solutions necessary for the Army to satisfy its support of the Army Enterprise info structure and infrastructure goals with IT services through out CONUS and OCOUNS locations, including warzone areas. The scope includes the Command, Control Communications, Computers, and Information Management (C4IM) requirements as defined in Army Regulations 25-1 (AR-25-1). Additionally, ITES-3S includes the services and solutions necessary for the Army and other services to transition from current service-centric information environments to the enterprise JIE as directed by the DoD CIO. **There are No Fees for use of the contract.**

Background

Primary Goods and Services:

The ITES-3S solutions are categorized by Task Areas, which are divided into sub-task areas that further define the scope. Task Areas include, but are not limited to, the following:

- Businesses Process Reengineering
 - Cybersecurity Services
 - Cloud Hosting Services
 - Enterprise Design, Integration, and Consolidation
 - IT Education & Training
 - IT Services
 - IT Supply Chain Management
 - Network/Systems Operation and Maintenance
 - Telecommunications/Systems Operation and Maintenance
-
